Sir,

Subject -Extension to the employees under Local Bodies of the provisions of the Government Order d ted 14-8-1947 sanctioning advance of pay to Covernment Serv nts

=======

1) Adverting to your letter's No L 94169-M1 89-47-2 dated 19-9-1947 and L 9990/M1 89-47-8 d ted 1-10-1947 addressed to the Deputy Commissioners of Bang lore and Mysore Districts respectivel on the above subject and copied to other Districts, I have the honour to state as follows -

2) 1 The Government in their order No F1 1475-1544 S & A 34-47-4 dated 14-8-1947, directed the payment of an advance of one month's pay as on 1-8-1947 to all the Government employees, subject to the advance being recovered out of any arrears of pay th t may accrue to them in the revision of scales of pay As per your letters dated 19-9-47 and 1-10-1947, cited above, there was no objection to extend the benefit of this payment to the employee working under local bodies ,provided the recovery thereof was ensured Definite resolutions of the local bodies were also c lled for for obt ining specific sanction of Government to such payment

3 All the Municipal Councils in this District except N R Pura have passed resolutions, agreeing to extend, to the employees under them, the benefit of the provisions of the Government order dated 14-8-47 They have resolved to meet the expenditure on this account, out of the closing balances of the institutions concerned for the current year As regards recovery of the advances so paid, they have resolved that it may be recovered out of the arrears of pay the employees may get in the revision of sc les, which the Municipal Councils propose to make on the lines of the scales sanctioned to Government Dep rtments

4 The proposals for a general revision of scales of pay of all the Municipal employees have been called for from this office Such a revision is found necessary, as many of the employees under the local bodies are officials lent from GovernmentDepartments The scales of pay in the local bodies have to be on a par with those existing in the Government Departments, to facilitate the interchange of officials Moreover, non-revision of the pay scales obtaining in the local bodies and non-payment of the advance pay have created some dissatisfaction among these servants, specially among the sweepers and scavengers, who threatened to strike work in some places In view of these circumstances, the revision of scales of pay and the grant of advance pay are found necessary The proposals regarding revision will be scrutinised and submitted to Government for sanction soon after their receipt in this office

5 The expenditure on account of the payment of advance pay and the mode of recovery proposed by the Municipal Councils are as follow -

	Amount	Proposed mode of recovery
